The Court has received the parties’ joint 26(f) report. The Court is aware that the National Transportation Safety Board (“NTSB”) is currently investigating the fatal fire that occurred aboard the Conception dive boat off Santa Cruz Island, California, which is the subject of this litigation. The parties’ joint report states that “the NTSB anticipates completing its investigation in or about October, 2020, and that its report will be available shortly thereafter—possibly in November, 2020.” (Dkt. 164 at 3.) Accordingly, the Court hereby continues the Scheduling Conference to December 7, 2020 at 10:30 a.m.

IT IS SO ORDERED.
