How to Use the Spare Parts Catalog & Price List

The Spare Parts Catalog & Price List are designed to be easy-to-use references for locating currently available part numbers and prices for most Aqua Lung products, including regulators, BC's, valves, instruments and rubber goods. It is not intended to be a substitute for the various Aqua Lung Repair Manuals. Because the schematic drawings and parts listed contain the most recent revisions to the products shown, this document should be referred to exclusively whenever ordering replacement parts.

Finding the part number and price

There are three simple steps for finding a part number and its price:

- Find the product in the Table of Contents of this catalog and turn to the appropriate page.
- Find the part in the exploded drawing and note the key number. Find the key number in the parts listing located below the exploded drawing. Next to the key number is the part number.
- Refer to the **Spare Parts & Specialty Tools Price List**, and locate the part number. Next to the part number is the dealer price and retail price.

Mandatory overhaul replacement parts

Some products have mandatory overhaul replacement parts, which should be replaced every time the product is serviced. Any part in **BOLD ITALICS** is considered a mandatory overhaul part, and should not be reused under any circumstances after the product has been disassembled. These parts can be ordered individually, or in complete kits which are available for each model regulator.

Parts no longer available (NLA)

Some older, discontinued products have parts that are no longer available. If a part is no longer available, the letters NLA will replace the part number in the parts list.

Using the Part Number Index

If you know the part number for a specific item and want to find where it is used (or isn't used), you will want to use the Part Number Index. To use the index, you first need to locate the part number in the listing. Next to each part number are the page numbers on which the part can be found. If, for example, you want to know what products use the 108510 low pressure seat, you can refer to the Part Number Index, where you will find that the 108510 is found on pages 24, 25, 26, 29, 30 & 31.

A Reminder

Parts may only be sold to Authorized Aqua Lung Pro-Line Dealers, and must be installed only by technicians who have received factory authorized training. Proper storage is important to ensure the quality of these parts. Be sure to store parts in a manner to prevent premature degradation of rubber and other soft materials, and to prevent damage to those parts which contain delicate sealing surfaces.

Terms & Conditions

Orders

- Spare parts and components may be sold only to Pro Line Dealers.
- Possession of a price list does not constitute an offer to sell. Aqua Lung America reserves the right to accept or reject all orders at the Vista Office.
- Spare parts and other merchandise are shipped to Authorized Dealer store locations only, and may not be transshipped to another location without prior written permission from Aqua Lung America.
- All prices are subject to change without notice. Prices prevailing at time of shipment will apply to all orders, including back-ordered items.
- Applicable excise, sales, use, or other taxes will be added as required.
- To place orders or request order status contact an Aqua Lung Representative by calling 1-800-755-DIVE (3483), from 7:00 AM to 5:00 PM PST Monday - Friday.

Terms and Discounts

- COD or credit card if credit not arranged in advance. Regular credit terms apply for export accounts.
- Statements can be accessed online at www.aqualung.com.
- 1.5% service charge per month will be assessed at the end of the month for all past due balances. Service charges will be issued at the end of the month.
- There is a \$50.00 charge applied to all returned checks.
- No deductions may be made in remittance on invoices due without prior issuance by Aqua Lung America, Inc. of a credit memo to cover such deductions.
- All invoices and orders are payable in U.S. Dollars.
- Discounts on current invoices are not allowed if account is delinquent.
- All orders will be F.O. B. our plant in Vista, California. No freight allowances will be given for spare parts or non-warranty service orders.
- Delivery to carrier constitutes delivery to purchaser.
- Claims for merchandise damaged, lost, or not delivered must be filed with carrier within 10 days after receipt of shipment.
- For your convenience, we accept Visa and MasterCard.

Returns (Restock for Credit Only)

- Merchandise may **not** be returned for credit without authorization from the Vista office and the issuance of a return number for each specific shipment.
- Customer account number and issued return number must be marked on the outside of all cartons.
- **Authorized returns of saleable merchandise, other than shipments made in error, will be subject to a 15% restocking charge plus any applicable freight charges.**
- To obtain a Return Merchandise Authorization, contact Customer Service at 1-800-253-DIVE (3483).

Warranties

- Where factory irregularities are found in current merchandise, Aqua Lung may choose to replace or repair the item without charge, if such claim is deemed justified.
- The cost of freight is not covered under the Aqua Lung Warranty Policy.

Micra ADJ (Adjustable)

**NOTE 1:**

The Lever Retaining Sleeve (Key #25) was revised in 1997. Be sure to correctly identify the part before reinstalling, and replace with new if found to be a Revision A part. (Refer to Technical Bulletin No. 10, dated August 15, 1997.)

Rev A

Rev B
Current**NOTE 2:**

The Adjustment Screw (Key #25) and Knob (Key #29) have undergone a change revision, and are now keyed for easier alignment. It will be necessary to order both parts when replacing one which is not the current revision.

XTX 200 • ATX 200 (FSR Style)

NOTE: In September 2002, the ATX 200 first stage transitioned from a hi-gloss black chrome finish to a satin chrome finish. Specifically, the parts affected are key item #1, 12, 20 and 21. These parts will no longer be available in black chrome. Should you need to replace one of these, you will need to order the part in satin.
