Directions, coming from the North:

Head South down Hwy 101 take the Castillo Street exit in Santa Barbara.

Take a right on Castillo, go to Cabrillo and take a right.

Go to Harbor Way and take a left, (this is the main harbor entrance.)

Take a left at the Naval Reserve Building, and pass into the parking lot after taking a parking ticket. Go straight to the last parking lot, you will see the Sea Landing Building and the Boats sitting at the dock.

If you parked in a double length stall (reserved for vehicles with boat trailers) you will be ticketed and towed. Validate your parking ticket at the Sea Landing; parking costs three dollars a day.
