

ICM Series Depth and Pressure Console

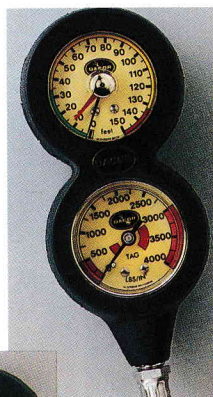

An oil-filled analog depth gauge with pressure gauge in a contoured rubber case. Available in standard (150 ft.) and metric (45 m.) models.

3477-00

ICM Series Depth, Pressure & Compass Console

(Same gauges as 3475-00 with compass on back.)

3479-00

3479-00

ICM Model	Black	Red	Blue	Pink
150 ft. max	3475-00	3477-00	3476-00	3478-00
45 m. max	3488-00	3531-00	3530-00	3532-00

ICM with Compass Model	Black	Red	Blue	Pink
150 ft. max	3479-00	—	—	—

VCP Model	Black	Red	Blue	Pink
Compass	3607-00	3615-00	3614-00	3616-00

32 DACOR

Underwater Pressure Gauge

Includes built-in thermometer, bottom timer, dive counter, and surface interval timer.

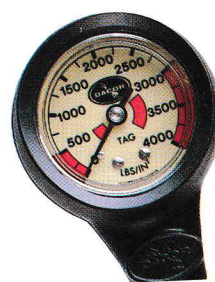

PSI/° F 3206-00
kPa/° C (not shown) 3207-00

Underwater Pressure Gauge

Includes built-in thermometer.

PSI/° F 3203-00
kPa/° C (not shown) 3204-00

Underwater Pressure Gauge

PSI/° F 3212-00
kPa/° C (not shown) 3213-00

Maximum Depth Gauge, Wrist Model

Hand reset model, altitude adjustable. Includes color-coded depth zones. Available in standard (200 ft.) and metric (70 m.) models.

200 feet max. 3120-00
70 meters max. (not shown) 3170-00

Depth Gauge Wrist Model

Features phosphorescent dial face, easy-to-read capillary tube and large numerals. Cyclac case. Available in standard (250 ft.) and metric (80 m.) models.

250 feet max. 3106-00
80 meters max. (not shown) 3107-00

Maximum Depth Gauge, Wrist Model

Hand reset model, color-coded depth zones. Oil filled. Available in std. (150 ft.) and metric (45 m.) models.

150 feet max. 3110-00
45 meters max. 3114-00

Navigation Compass

Phosphorescent needle and lubber lines. Accurate. Easy to read. 360° dial marked in 2° increments. Oil filled. Durable, shock-resistant corrosion-proof plastic body. Snug-fitting neoprene rubber wrist strap. 3600-00

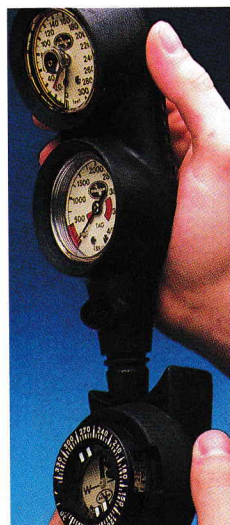

Watch Band Thermometer

Available in Fahrenheit, reading from -30° to 170° F. Also available in Celsius reading from -10° to 45° C. Solid back prevents slipping. Fahrenheit 3503-00
Celsius (not shown) 3504-00

VCP Compass Module

A compass module which slips on to the ICM series consoles and single pressure gauges.

VCP Compass Module
