## **Diving Emergency Management Provider Course**

*Prepare yourself*

## Diving Emergency Management Provider

It is a rare event when a dive emergency is a single event. More often than not, separate small problems compound to create a larger problem.

Divers and dive professionals interested in a comprehensive program of first aid care for dive emergencies can now take the **Divers Alert Network Diving Emergency Management Provider** course. This program integrates the knowledge and skills from several DAN Training Programs into a single eight hour course.

Training covers four DAN courses:

### Automated External Defibrillators (AEDs) for Scuba Diving

*Learn how to recognize the warning signs of Sudden Cardiac Arrest and administer first aid using Basic Life Support techniques and Automated External Defibrillators.*

### Oxygen First Aid for Scuba Diving Injuries

*Learn how to recognize possible dive related injuries and provide emergency oxygen first aid.*

### Advanced Oxygen First Aid for Scuba Diving Injuries

*Learn to use the MTV-100 or a Bag Valve Mask (BVM) while providing care for a non-breathing injured diver.*

### First Aid for Hazardous Marine Life Injuries

*Learn how to recognize specific types of marine creature injuries and the general first aid treatment for those injuries.*

**Because being prepared is never an accident...**

#### When and Where:

Haigh Quarry  
2738 E 2000 North Road  
Kankakee, IL 60901

Session One:  
Saturday, June 28, 2008, 2:00 pm

Session Two:  
Sunday, June 29, 2008, 2:00 pm

You must attend both sessions to successfully complete the program.

#### Cost:

Course fee: \$195.00  
Student materials: \$49.00  
Lab materials: \$23.00

**Buddy bargain—enroll two or more divers at the same time and save an additional \$25.00 per diver!**

A non-refundable deposit of \$100.00 is required to register, the balance will be due one week before the course date.

Admission to the quarry is not included.

#### Prerequisites:

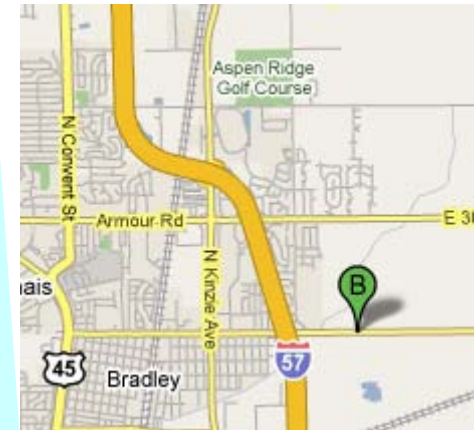

Participants must hold current CPR and First Aid certifications from a recognized agency (EFR, AHA, ARC, MFA, etc.) and be certified divers.

**To enroll, or for more information, contact Steven Anderson at:**

**SDAnderson@25Fathoms.com  
(312) 203-1510**
