

Direction to a Blue Springs, Waldron Indiana. written by WT.

From KY...

1. Take I-65 North
2. Pass through Columbus and Edinburgh Outlet Store on the left side.
3. **Take Exit 80** for **IN-252** toward **Flat Rock.**
4. **Turn Right** at IN-252.
5. Drive through Flat Rock (really small town). Now you are driving through **the new road.**
6. Head straight until you meet a **"T"** (IN-9)
7. **Turn left** for IN-9 North.
8. Pass through a bridge (green color).

Here is a tricky part. You have to take **600 S**

On I-9 North driving, you can see **the American Flag** on 600 S. The flag is put up on **a cemetery** right behind the church. It is **NOT** a cemetery on IN-9.

9. **Turn right** on 600 S

10. Pass through the cemetery (on the left side on 600 S.)
11. Pass through **"Stop"** sign and small one-way **bridge**.
12. Head straight until you get to another **"T"**
13. **Turn right** (You can see the sign, Blue Springs on the right side).
