

# EU DECLARATION OF CONFORMITY

**Part Number(s):** See tables in Annex A

**Description(s):** XTX200 Demand Regulators – depth down to 200 m

**Manufacturer:** Apeks Marine Equipment Ltd., Neptune Way, Blackburn, Lancashire. BB1 2BT, England.  
An Aqua Lung Company, Registered in England 1231692. VAT No. 150 5120 19

**Brand(s):** Apeks

**This declaration of conformity is issued under the sole responsibility of the manufacturer, Apeks Marine Equipment Ltd.**

**EU Directive and Regulation(s):** Directive 89/686/EEC Personal Protective Equipment (PPE)  
BS EN 250:2000 – Respiratory equipment – Open-circuit self-contained compressed air diving apparatus - Requirements, testing and marking  
Norsok Standard U-101 - Diving Respiratory Equipment, Rev.1, August 1999.  
Diving depth down to 200 m under consideration of the requirements of Para. 5.2.2 of the Norsok Standard U-101 with an RMV of 62.5 l/min in swimming position.

**Risk Category of PPE:** Category III in accordance with the essential health and safety requirements as described by Annex II of Directive 89/686/EEC Personal Protective Equipment (PPE).

**Conformity Assessment Procedure:** EU type-examination (Module B) set out in Annex V & conformity to type based on internal production control plus supervised product checks at random intervals (Module C2) set out in Annex VII of Regulation (EU) 2016/425 Personal Protective Equipment.  
Under the surveillance of notified body DNV GL, Brooktorkai 18, 20457 Hamburg, Germany. Identification number 0098.

**CE Certification applied for:** Personal Protective Equipment (PPE) using harmonised standard EN250:2000 Respiratory equipment- open circuit self- contained compressed air diving apparatus.

**Type Examination performed by:** DNV GL

**EU Type Examination Certificate number(s):** 55464-13 HH  
55544-14 HH

**Quality Control Assessment:** DNV GL, Brooktorkai 18, 20457 Hamburg, Germany.  
ISO 9001 - BSI House, 389 Chiswick High Road, London, W4 4AL

**Reference of other harmonised standards used:** BS EN 250:2014 – Respiratory equipment – Open-circuit self-contained compressed air diving apparatus - Requirements, testing and marking

**Remarks:** BS EN 250:2000 Respiratory equipment- open circuit self- contained compressed air diving apparatus.

## REACH Declaration

The European REACH, Registration, Evaluation, Authorisation and Restriction of Chemicals regulation, came into force on 1st June 2007. The objective of REACH is to improve the protection of human health and the environment through the better and earlier identification of the properties of chemical substances.

Apeks Marine Equipment Ltd operates and is accredited to the Environmental Management System ISO14001:2015 that is applied to both our own designed and manufactured products, plus any distributed products which would be considered downstream under the REACH definitions and therefore have no pre-registration or registration obligations under REACH.

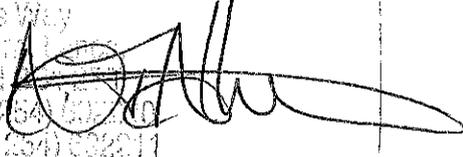

We maintain intensive contact with our suppliers to ensure that the REACH obligations regarding Substances of Very High Concern (SVHC) are not included in our products, (Articles), where possible. As the list of SVHC is updated periodically by the European Chemical Agency (ECHA), part of our Environmental Management System is to review the list on an ongoing basis. Should our goods contain a SVHC we will always try to substitute where possible or, we will inform our customers where required, as part of our obligation under the REACH regulation as a downstream user.

To the best of our knowledge, at this time, the products listed in Annex A comply with REACH legislation.

In case of further questions regarding the implementation of the REACH regulation in our company, please do not hesitate to contact us.
