## Getting Started

This site works best with Chrome, Microsoft Edge or Mozilla Firefox.

Internet Explorer and Safari on Android mobile devices have issues. If you have an issue with any other device or browser, try using Google Chrome and failing that, try another device.

If using a PC, select English on the home page.

If you don't see this option, use Google Chrome and right click anywhere on the screen and select "Translate to English".

If neither of these work, use Google Translate <https://translate.google.ca/?hl=en&tab=TT>

Screenshots included here use the English option which, by default, gives you the translation (except for the dropdowns).

*Tip: Don't change language midway through the form; it will erase everything you have entered.*

- You can register for a new account at any time.
  - If you have registered with the Immigration ALAM system for a Tourist Visa extension or Residency renewal, this is a different account. You need to register again.
- You can only fill out the pre-check form within 48 hours of leaving
  - Date of your flight must be same day you fill out the form, the next day or the day after. E.g. If flying Sat, Sep 26, you must fill out the form on Sep 24, 25 or 26.
  - Date of Departure from country of Origin – cannot enter a date beyond tomorrow's date
- A form must be completed each time you enter or leave Honduras.
- Forms for each family member can be created within the same account.
- *Tip:* For dropdown lists, type the first few letters of the word you want to select and a list of matching words will be displayed.
