We, as the Department of Homeland Security, take hurt feelings seriously. If you don't have someone who can give you a hug and make things all better, please let us know and we will promptly dispatch a "hugger" to you ASAP. In the event we are unable to find a "hugger," we will notify the fire department and request that they send fire personnel to your location. If you are in need of supplemental support, upon written request, we will make every reasonable effort to provide you with a "blankey," a "binky," and/or a bottle if you so desire.
