CONTACT CLEANER

# Quick Dry CONTACT CLEANER

Precision Cleaning Solvent

Instantly Removes  
Oil, Dirt, Grease, & Flux

Leaves No Residue

Plastic Safe

Quick Drying Formula

**DANGER:**  
HARMFUL OR FATAL IF  
SWALLOWED. EXTREMELY  
FLAMMABLE. VAPOR HARMFUL.  
CONTENTS UNDER PRESSURE.  
Read warnings on side panel.

**NET WT.**  
11 oz. (311 g)

Dissolves dust, grease, dirt and other contaminants on contact by penetrating hard to reach areas of sensitive electronic components and contacts. Evaporates quickly and completely. Regular cleaning may prolong the life expectancy of components and help prevent contact failure or malfunction. Compatible with most plastics and paper tapes.

**DIRECTIONS:** Read entire label before use.

1. Do not apply while equipment is energized.
2. Spray small amounts on area to be cleaned. Lint free cloths or swabs may also be used to clean areas with stubborn soils. Avoid pooling of product on surfaces.
3. Let product dry thoroughly.
4. Check product that could pool in unseen areas and be sure there are no flammable vapors remaining before reconnecting to electricity by ventilating the area. Note: Lubrication may be removed during cleaning process, re-lubrication may be necessary.

**WARNING:** Contains Isohexane 107-83-5, Methanol 67-56-1, and Difluorethane 75-37-6. Content is extremely flammable and under pressure. Do not apply product to equipment that is energized. Keep from all open flames and other ignition sources. Do not puncture or incinerate can. Do not store in temperature above 120°F. Exposure to high temperature may cause can to burst. Do not store in passenger compartment of automobile. Must be disposed of in accordance with all local, state, and federal regulations. Use only in well ventilated areas. Avoid contact with skin and eyes. Overexposure to vapor may cause severe irritation to eyes, skin and respiratory tract. Inhaled hydrocarbons cause central nervous system depression at high concentrations resulting in headache, dizziness and ultimately unconsciousness. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Do not ingest. If swallowed, may be aspirated resulting in inflammation and possible fluid accumulation in the lungs.

**ATTENTION:** MISUSE BY DELIBERATELY CONCENTRATING AND INHALING CHEMICAL CONTENTS PRESENTS A SERIOUS HEALTH HAZARD AND CAN RESULT IN FATALITY. PLEASE USE THIS PRODUCT RESPONSIBLY.

**FIRST AID:** If eye or skin contact occurs, flush with water for 15 minutes. If ingested, do not induce vomiting and seek immediate medical attention. If inhaled, remove to fresh air. In any case, if irritation persists, seek medical attention. For SEVERE OVEREXPOSURE, call a physician immediately. For additional information, consult the Safety Data Sheet for this product. DO NOT TAKE INTERNALLY.

KEEP AWAY FROM CHILDREN.

**WARNING:** Reproductive harm. —
