

## ▶ FEATURED PRESENTER:

October, 2013 Club Meeting

# George Schellenger

### SFUPS Club Members:

This month we are delighted to present to you two-time Emmy award winning cinematographer, George C. Schellenger. George's multimedia and broadcast career spans several decades in television and content development. Did I mention, he's also an acclaimed author? In recent years, George has aligned his passion for the ocean and specifically sharks, with his talent in cinematography to create amazing partnerships with the likes of Guy Harvey, Wyland, and many

other conservation-minded organizations to help the world to embrace the plight of misunderstood creatures like the shark.

Please come early and join us at 6 PM for dinner and drinks. Lamnico, servicing lamination products for photographers will also be here to showcase their services.

The agenda is below, feel free to bring friends and guests as they are welcome to our Club meetings. Up-to-date Club information is always available at [www.sfups.org](http://www.sfups.org).
