

Ogden Point Dive Center

Presents:

REBREATHER REVIEW AND EXPERIENCE COURSE

Sunday October 4th
At: Ogden Point Dive Center

This is your chance to learn about the advantages and disadvantages of each rebreather PLUS try them out in the pool. This is a hands on course that may help you finally answer the big question which Rebreather is best for me?

CCRs at the experience:

rEvo, KISS, Megalodon, Shearwater electronics package and more.

What this course offers:

A trial and hands on experience on the rebreathers (this is not a certification course).

When:

9 am on Sunday October 4th to around 4 pm.

Where:

Ogden Point Dive Center 199 Dallas road, Victoria, BC V8V 1A1 1-888-701-1177

What is included:

Information on the rebreathers, hands on trial of the rebreathers, lunch (pizza and pop for lunch is included, if you like something else please feel free to bring it with you to the experience), a year's subscription to Advanced Diver Magazine (delivered to a US address, or a small charge for extra shipping costs)

What to bring:

Swimsuit (or wetsuit), if you need any weight to sink in a pool with your swimsuit or wetsuit bring it and a weight belt, mask, fins, towel, scuba certification card (basic open water or above).
