SCUBA CLUB COZUMEL IS THE EASIEST DIVE RESORT FOR DIVERS YOU'LL EVER GO TO!

Set up for easy diving with a 2 tank boat dive each day plus shore diving in shallow water for extra bottom time.

Underwater photographers and divers can do day and night shore dives to see lobsters, eels, octopus and more each evening.

Meals are scheduled AROUND the dive schedule versus running to eat. Additionally you can arrange afternoon boat dives, 2 tank twilight / night dives or just relax in a hammock under a palapa !

Come close out 2009 with a fun trip to sunny Mexico.!!!
