Tank Boots \$5 each

Bellow Pocket with Custom DIR Kitchen knife \$30

Small harness pocket \$15

Lift bag \$50, unsure of lift capacity, but higher than 75lbs

400' Pathfinder reel, \$100 includes 100' spool (line length at about 60')

Halcyon Covers + 2 faded scubatoys \$20

SARTEK 10 watt HID Canister Light \$140 – light works, never flooded, charger included, needs cable connector to be re-sealed to head.

Harness Shoulder Pads: \$15

Doing it Right: The Fundamentals to better diving \$10

5mm Kevlar Gloves: \$10

Diverite 905 suit. \$120 It's a Size Small, had it altered, 2inch increase at waist, 1 inch from waist to arms. size 8 shoe . I'm 5'9 and I use a size 9.5 shoe.. Suit fit well, but shoes were a bit tight, but not unbearable. Seals are good, great starter suit for those getting into dry suit diving. Includes hood and beat up (ducked tape in some area – if wanted) scubapro fins and springs as an added bonus.

bonus.

Pinnacle boots size 10, \$40 used less than 5 times

Aqualung Maui Mask \$40, used less than 5 times, includes scubapro backup mask. Forehead part was cut. Seals ok..hence backup.

Analog Depth gauge – make offer, I cannot guarantee correct gauging since I haven't used it in a while, but I know it worked.

SL4 eLED light \$30

3000 psi yoke valve \$25

Citizen Aqualand Watch \$100. Needs to be sent out for service to reset depth guage.
